Why Mama Loves it:

Throughout March Enlighten Action for Epilepsy launches their "Paint the Town Purple" campaign, culminating in Purple Day on March 26. In **Painting the Town Purple** they actively encourage the Hong Kong public to become involved in eliminating misconceptions about epilepsy; providing positive perspectives on the condition and promoting safe first aid practice to help those affected by a seizure.

Event 1: Purple Day on March 26 at Cicada Restaurant in Central, with happy hour between 4pm and 7pm.

Event 2: Purple quiz night happening on March 27 at McSorley's Ale House in Central.

There is an entry fee of \$100 for each event. All proceeds will be donated to Enlighten.

Enlighten-Action for Epilepsy, is a Hong Kong charity that aims to support those affected by epilepsy as well as raising epilepsy awareness.
