CONGRATULATIONS, NODDY!

19.10.12

"We want to let others know and understand that those with epilepsy can live just as others!" Powerful words indeed from Ms. Pina Lui, mother of Noddy Chiu, a young 12 year old with epilepsy, who put on a life jacket and learnt to sail to participate in the charity dinghy race.

Enlighten-Action for Epilepsy, one of the charity beneficiaries of the Hebe Haven 24-hour Charity Dinghy race, this year put another foot forward by registering two teams, one being under the "Bahia Dinghy" category and the other, "Sailability - Access Dinghy" category. This is a special category running for the second year and is due to the efforts of "Sailability Hong Kong", a charity that provides sailing courses for the less abled who yearn to experience sailing and avail of an opportunity to learn to sail.

Enlighten-Action for Epilepsy's Sailability team (that included Noddy) is thrilled to be the winners of the "Sailability Access 2.3" category.

Congratulations, Noddy!
