

### Lions' share

Local rugby fans had a rare treat when a charity lunch organised by Enlighten – Action for Epilepsy brought together four legends: Tom Smith (former British and Irish Lions/Scotland captain and the charity's co-founder); Sir Ian McGeechan (renowned Lions coach); former Wallaby Mark Ella; and former All Black Joe Stanley. The lunch was held on May 31 at the Royal Hong Kong Yacht Club. Funds raised will help raise local awareness of epilepsy.
