ENLIGHTEN-ACTION FOR EPILEPSY CELEBRATES 10TH ANNIVERSARY

The non-government charity organisation Enlighten-Action for Epilepsy marked its 10th anniversary with a cocktail evening hosted by the organisation's patron, The Honourable Mrs. Anson Chan. The reception was a thank you to all their supporters over the years that have helped to erase the stigma that surrounds epilepsy and have supported the near 70,000 Hong Kongers who have it.
