Why Mama Loves it:

Instead of the somewhat nerve-racking process of an art auction, Enlighten-Action for Epilepsy is trying on something new and relaxing with Hong Kong's first art lottery – LotArt! By a lottery system, guests at LotArt will each be able to bring a piece of artwork home from up-and-coming artists. During the event, Enlighten-Action for Epilepsy will also raise awareness for epilepsy and funds for its programs.

Book your tickets now at www.openclass.hk/lotart for a unique and rewarding art lottery experience!
