## Purple plans

Epilepsy charity Enlighten-Action wants you to "paint the town purple" this March, which is Epilepsy Awareness Month in Hong Kong. There are all sorts of ways you can help, by eating purple, donating purple (HK\$10 notes) or buying the delightful purple Ellie the Epiphant. Visit [www.enlightenhk.org/index.php/purple](http://www.enlightenhk.org/index.php/purple) to find out more.

Get noticed! To post your school and youth events here, e-mail details to [syp@scmp.com](mailto:syp@scmp.com)
