

ENLIGHTEN HONG KONG GALA DINNER

Invitees travelled back to the 1960s for the Enlighten Hong Kong 10th Anniversary Charity Dinner, held at the Grand Hyatt Hong Kong. Guests—including Anson Chan, Gigi Chao and Shelley Lee—enjoyed retro canapés and '60s music in keeping with the Old Hong Kong theme. In partnership with Poggenpohl and Gaggenau, the evening raised funds to assist those affected by epilepsy in Hong Kong.

"It was so nostalgic to see the black-and-white photos of old Hong Kong all over the ballroom. My favourite part about the decor was the rickshaw at the entrance," said Jolene Chow
